

## WHOLESALE PRICE LIST OF MAJOR MINT ERROR COINS & CURRENCY

We proudly offer many dramatic & very Rare Type coins, and more current Errors (1960's + 1970's) that have not been on the market for 20-30 years. These really "Fresh" Errors are from a collection put together in the late 1960's thru the 1980's, and many were originally purchased directly from Phil Steiner/Mike Zimpher, well-known mid-west dealers back then.

Don't forget you can view all Certified Error Coins and Error Currency on our website ([www.FredWeinberg.com](http://www.FredWeinberg.com)). Every customer ordering over \$100 off this list/website will receive a special "Year End Thank You" gift. There are many Reduced Prices from the unsold coins on our June list. When ordering by phone or email, please list the page #, short description of the item (Date, Error, Grade, and Price), so we know exactly what coin (s) you are interested in.

We accept Checks, Money Orders, & Pay-Pal Sorry No Credit Cards...We always pay for all Postage & Insurance fees for U.S. shipments. Paying via Pay-Pal: Just use our email address ([Fred@Fredweinberg.com](mailto:Fred@Fredweinberg.com)) as the recipient when sending funds.

Note: The PCGS/NGC Certified section of better Major Mint Errors start after the raw listings.

### Abbreviations Used:

DSBS=Die Struck Both Sides, (refers to a D/S coin's second strike) F/O=Flip-over D/S=Double Struck B/S=Broadstruck FS=Full Steps FB=Full Bands FBL=Full Bell Lines RD=Red R+B=Red & Brown PL=Proof-Like CCW=Counter-Clockwise DAS=Die Adjustment Strike

Note: Clip %'s are by actual weight, not appearance (most clips "look larger" than % of clip).

*Editor's Note: Fred Weinberg's price list was originally published in November of 2006. The following list has been updated and is current as of January 30, 2007.*

<b>UNIQUE-Clock Set of Fold-Over Lincoln Cents</b> Offered publicly for the first time, we are proud to offer the only known 12 pc. Clock Set of <b>Fold-Over</b> Strike Lincoln Cents. In a custom plastic holder, each Fold-Over cent is in its' own clock position. There are four Pre-'82 Copper Fold-Over's, one Double Struck Fold-Over, and the remaining cents are on post 1983-Zinc planchets. This type of Error is now impossible to occur with the new Shuler Presses. This unique set at one time had a thin chain that was actually strung through the looped part of the Fold-Over cents! We are certain that it is impossible to ever assemble even half a set like this again. <b>Unique &amp; Dramatic.</b>	\$11,500

<p><b>UNIQUE-Clock Set of Fold-Over Lincoln Cents</b> Offered publicly for the first time, we are proud to offer the <i>only known</i> 12 pc. <b>Clock Set of Fold-Over Strike</b> Lincoln Cents. In a custom plastic holder, each Fold-Over cent is in its' own clock position. There are four Pre-'82 Copper Fold-Over's, one Double Struck Fold-Over, and the remaining cents are on post-1983 Zinc planchets. This type of Error is now impossible to occur with the new Shuler Presses. This unique set at one time had a thin chain that was actually strung through the looped part of the Fold-Over cents! We are certain that it is impossible to ever assemble even half a set like this again. Unique &amp; Dramatic.</p>	\$11,500
